Home Escape Plan

- Draw a map of each floor level in your home.
- Be sure to mark each window, door, and smoke alarm location.
- Mark two (2) ways out of each room, usually a door and window.
- Pick a Family Meeting Spot outside your home where everyone can meet following an emergency. This could be an area such as a mailbox, tree, or a neighbor’s home.
- Think about other important things to mark, e.g. your emergency kit location.
- Put your exit plan to work by practicing it as a family at least twice a year!
